

From landscapes to language, from famous food to friendly people, the attractions of Italy are unique and unmistakable.

There are the three major Italian lakes; beautiful Maggiore, dramatic Como and European favourite Garda. The awe-inspiring spectacle of the Dolomites contrasts perfectly with the wide, sandy beaches which line the coast. Italy's cultural pearls are, of course, her cities; artistic Florence, magical Venice and romantic Verona. Lakes and mountains, cities, spas and seaside, Italy has it all.
