

Your Pound will stretch at least ten per cent further there than last year, according to the Post Office Holiday Costs Barometer.

Spain was the best value. A basket of ten items, including a meal out for two, drinks and sun cream, now costs £42.15. This is 15 per cent less than 2010's top destination, Portugal.

The best news is the fall in prices in Greece. Bars in Corfu have slashed prices by ten per cent. Prices fell further in Turkey (13 per cent) than in any of the 14 destinations surveyed.
